

Certificate II in Automotive Vehicle Servicing or Certificate II in Automotive Vehicle Body (Pre-Apprenticeships)

Participants will gain knowledge, work experience and an overall introduction to what is required to gain employment as an Apprentice/Trainee in the Automotive Industry. Training is accredited to National Automotive Training Package level requirements.

Dates/ January and July 2010

Duration: Monday to Friday

Venue: Motor Industry Training Association of WA (Inc)
11-15 Kirke Street, Balcatta WA 6021

Entry requirements: Genuine interest in a career in the Automotive Industry.
Aptitude Test (\$15.00 fee) and Interview.
All applicants will be interviewed for a position on the course.

Course Structure:

- Induction at M.I.T.A Training Centre
- Theory and practical workshop training at M.I.T.A Training Centre
- Extensive work experience with a M.I.T.A Host Employer.

Course content: Participants complete Certificate II competencies relevant to the Automotive Vehicle Servicing or Automotive Vehicle Body Course.

Course Fees: Full Fee/Concession Rate available (price on application). Payment to be made prior to commencement of course.
(NB: This course is funded by the WA Department of Education and Training and is Austudy/Abstudy/Youth Allowance Approved – concession cards to be viewed at interview.)

Career Opportunities: Pre-apprenticeship graduates will have achieved competencies towards an Apprenticeship/Traineeship in the Automotive Industry and will have improved their chances of gaining fulltime employment.
